

Projects completed 10/1/2008 to 06/30/2009 in States served by the Northeastern Area

State	Date		Acres	Total value	FLP payment
Massachusetts	10/15/2008	Quabbin Corridor Connection 5	187	\$413,272	\$376,325
Massachusetts	12/30/2008	Quabbin Corridor Connection 7	43	\$211,499	\$191,952
Massachusetts	1/8/2009	Quabbin Corridor Connection 6	80	\$314,189	\$292,142
Massachusetts	1/12/2009	Quabbin Corridor Connection 15	56	\$73,784	\$58,695
Massachusetts	1/12/2009	Quabbin Corridor Connection 16	27	\$123,387	\$83,470
Massachusetts	1/29/2009	Quabbin Corridor Connection 9	78	\$216,213	\$215,483
Massachusetts	1/29/2009	Quabbin Corridor Connection 18	103	\$92,271	\$91,897
Massachusetts	1/30/2009	Quabbin Corridor Connection 1	7	\$77,367	\$77,367
Massachusetts	1/30/2009	Quabbin Corridor Connection 2	43	\$146,027	\$146,027
Massachusetts	1/30/2009	Quabbin Corridor Connection 3	43	\$231,097	\$231,097
Massachusetts	1/30/2009	Quabbin Corridor Connection 3a	36	\$208,207	\$208,207
Massachusetts	1/30/2009	Quabbin Corridor Connection 13	80	\$247,766	\$225,520
This 18 Tract project of Forest Legacy funded acquisitions and cost share tracts protects 1,700 acres through fee acquisitions and conservation easements.					
Connecticut	12/26/2008	Skiff Mountain 5	46	\$830,000	\$0
Acquired as a non-Federal cost share tract for the seven remain Skiff Mountain parcels.					
Rhode Island	12/28/2008	Tillinghast Pond Management Area 1-3	1,509	\$14,620,000	\$3,000,000
Part of the 200 square mile forested block called the Pawcatuck Borderlands that straddles the Connecticut and Rhode Island state line and is part of the last great stretch of forested land from Washington, D.C. to Boston, MA.					
Missouri	12/30/2008	LaBarque Creek	154	\$1,510,180	\$500,000
The property is an addition to the 969-acre Young Conservation Area, which is primarily managed for watershed protection and public recreational use by the Missouri Department of Conservation.					
New York	1/16/2009	Ticeteneyck Mountain	448	\$1,970,000	\$500,000
The property provides water supply protection for New York City and recreational opportunities including access by the public to the top of Ticeteneyck Mountain.					
Vermont	1/26/2009	Brushwood Community Forest 1	154	\$230,000	\$230,000
Vermont	1/26/2009	Brushwood Community Forest 2	169	\$166,000	\$166,000
Vermont	1/26/2009	Brushwood Community Forest 3	151	\$235,000	\$235,000

This newly created Community Forest in Vermont is owned by the Town of West Fairlee and adds to an already existing protected block of forests totaling 2,500 acres.					
Wisconsin	2/6/2009	Holy Hills 1	74	\$1,480,000	\$945,400
Wisconsin	2/6/2009	Holy Hills 2	35	\$566,000	\$361,500
Wisconsin	2/6/2009	Holy Hills 3	89	\$1,085,000	\$668,100
Forests located at the base of Holy Hill, where the Carmelite Friars Basilica of the Holy Hill is located and draws over 300,000 visitors a year to take in the scenic views and of the surrounding area including these FLP lands.					
Vermont	3/20/2009	Green Mountain Corridor	511	\$665,000	\$493,000
This tract is an important parcel to the forested wildlife corridor protection effort between the south and north units of the Green Mountain National Forest.					
Vermont	4/14/2009	Orange County Headwaters	1,473	\$1,037,500	\$760,000
Part of a community effort to conserve property in Orange County that includes the headwaters of three major river watersheds.					
Indiana	6/11/2009	Land Bridge 1	128	\$395,000	\$281,625
This projects connect a 1,938 acres of a protected forest block to the west to 323 protected acres the east.					
Maine	6/18/2009	Lower Penobscot Forest (Amherst)	4,974	\$3,200,000	\$2,500,000
Within an easy commute from Maine's second largest city, Bangor, Amherst's undeveloped ponds and hills have views of Cadillac Mountain (Acadia National Park) to the south and Mount Katahdin (Baxter State Park) to the north.					
Year-to-Date FY2009 Total			10,698	\$ 30,344,759	\$ 12,838,807
